Our program is supported, in part, by 10 county cooperative extensions of North West NY: Genesee, Livingston, Monroe, Niagara, Ontario, Orleans, Seneca, Wayne, Wyoming and Yates Counties. Enrollment discounts are given to those that live, farm or conduct agricultural services in those counties (see In-Region Enrollment column below). However, we still welcome those that do not live, farm or conduct ag services in those counties to enroll in our program (see Out-of-Region Enrollment column below). See the Enrollment Information page for a list of enrollment benefits covered under each type of enrollment.
