Come join us for an informational sheep and goat talk regarding nutrition. It's that time of the year where all your animals are in from pasture and now you are in charge of what is in front of them on a daily basis. Are you feeding the proper feed? What your requirements for your does and ewes? Are your animal's requirements different during different stages of their pregnancy? Come learn the basics of nutrition from Cornell University Small Ruminant Specialist – Dr. tatiana Stanton
