

DAIRY LABOR DISCUSSION GROUP

MANAGING LABOR IN CHANGING TIMES

Wonder how other farms are managing overtime?
Looking for new management ideas and strategies?

Farmers in this group will do the following:

- Submit information about labor costs before and after overtime (by 4/3).
- Receive a summary of their farm data and a summary of the data for the whole group.
- Meet on 5/1 to discuss the financial impacts of overtime & management strategies.
- There is the potential for future meetings if the group is interested.

Group size will be capped, sign up early! 3/20 is the deadline. Contact Libby Eiholzer, 607-793-4847, geg24@cornell.edu, for questions and to reserve your spot.
