

## New York Beef Producers Association - Region 4 Annual Meeting Open to all interested beef and dairy producers.

**Saturday, March 28, 2020**  
**Registration & Welcome 1 PM - Lunch 1:30 PM**  
**Belmont American Legion, 29 Schuyler Street Belmont, NY 14813**

After lunch we will have a short business meeting to elect leadership for Region 4 followed by our guest speakers:

**Southwest New York Dairy, Livestock, and Field Crops Team** - Katelyn Walley-Stoll, Regional Specialists with the team will highlight the role of the new team; their efforts in Allegany, Cattaraugus, Chautauqua, Erie, and Steuben Counties; and their programming goals going forward.

**Physiology of Trace Minerals in Cattle** – Dr. Dan Tracy DVM will cover maternal transfer and trace mineral status of the calf on cow side along with challenges to supplementation programs. He will offer some solutions while outlining the importance of trace mineral to immune function and reproduction.

Dr. Tracey received his DVM at Mississippi State University of Veterinary Medicine in 2001. In 2002 received his MS degree in Dairy Production Medicine at Mississippi State. Upon completion of college Dr. Tracy worked as a large animal practitioner working with beef and dairy producers. Practice experience includes dairy and beef nutrition consultation, herd health and reproductive management. He is currently employed at Multimin USA, Inc., as a Technical Services Veterinarian.

The cost of the program is \$10 per person for adults, \$5 for youth 10 and under; includes buffet lunch.

Pre-reservations for the meeting requested by March 20<sup>th</sup> to assist with lunch planning.
