

ON-FARM DAIRY PROCESSING

A free webinar for dairy farmers who are interested in diversifying or vertically integrating their business.

Cornell Cooperative Extension

Southwest NY Dairy, Livestock and Field Crops Program

Cornell Cooperative Extension

Harvest New York

An introduction of factors to keep in mind when considering dairy processing for a farm's operation. This overview will focus on business considerations and a brief summary of regulatory requirements.

Speakers:

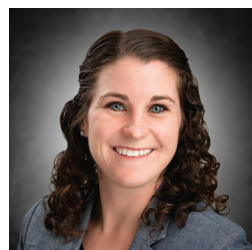

Anika Gianforte, Dairy Processing and Marketing Specialist, Cornell Cooperative Extension's Harvest New York Program.

<https://harvestny.cce.cornell.edu/>

Becca Durant, Dairy Products Specialist 2, Department of Agriculture and Market's Division of Milk Control and Dairy Services.

<https://agriculture.ny.gov/division-milk-control-and-dairy-services>

Alycia Drwencke, Dairy Management Specialist, Cornell Cooperative Extension's Southwest New York Dairy, Livestock, and Field Crops Program.

<https://swnydlfc.cce.cornell.edu/>

The SWNY Dairy, Livestock, and Field Crops Program is a partnership between Cornell University and the CCE Associations in these five counties: Allegany, Cattaraugus, Chautauqua, Erie, and Steuben. Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities. For accommodations, please contact Katelyn Walley-Stoll, 716-640-0522 or kaw249@cornell.edu at least one week prior to the event.
