

REMINDER....

It's time to renew your Ag Enrollment
Contact your local CCE office

GUEST SPEAKER:

Dr. Kenneth Hellevang

As an Extension (outreach) Engineer of Agricultural & Biosystems Engineering at North Dakota State University, Ken has provided education and technical assistance in grain drying and storage, structures with a focus on energy efficiency, indoor environmental engineering primarily related to moisture and mold, and flood preparation and recovery to farmers, agribusiness, and professionals across the United States and internationally since 1980.

"Cornell University Cooperative Extension provides equal program and employment opportunities."

"CCE does not endorse or recommend any specific product or service. This program is solely intended to educate consumers about their choices."

"Accommodations for persons with special needs may be requested by contacting Cathy Wallace at 585.343.3040 x138 or cfw6@cornell.edu by January 30, 2015"
