'Tis the season for the annual Feed Dealer's Meeting for industry personnel and area producers. Drs. Tom Overton and Luiz Ferraretto (Miner Institute) will present some valuable insights into current nutrition and health topics.

These annual meetings provide an interchange of ideas that have been great over the years. ***This is your opportunity to bring critical issues or questions of importance in the industry to our attention.*** Your input is extremely valuable to us in helping both campus and local Extension efforts for the benefit of the dairy industry.

- ◆ Management of Hypocalcemia
