

HOOF HEALTH SOLUTIONS COURSE

This course will focus on lameness detection and treating lame cows. Training your team to identify and treat lame cows is of utmost importance for animal welfare!

Tuesday April 19th & Wednesday April 20th:

Noblehurst Fieldhouse, 7955 York Rd, Pavilion, NY 14525

Thursday April 21st & Friday April 22nd:

El-Vi Farms 14 Pelis Road, Newark, NY 14513

\$100 registration for enrollees of the NWNYS Team. \$125 for non-enrollees*.

Materials & lunches included both days. Classes will be capped at 15 people per site.

- Classroom & hands-on learning
- Taught by Hoof Trimmer's Association members Chip Hendrickson & Vic Daniels along with Jeff Wheeler of Zinpro Animal Health

***Each Class will be held two days in a row, 10am-4pm.**

It will be offered in both English & Spanish

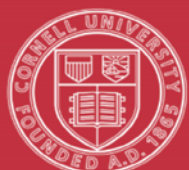

To register for either event, please contact: Zachary Amey at (585) 786-2251 or email zta3@cornell.edu. You can also register online at:
