

PRO-DAIRY

Don't Be Lame!

Winter Dairy Management

March 7th, 2017

10am to 3pm

Cornell University
Cooperative Extension

The Winter Dairy Management 2017 program will focus on keeping cows on their feet and free from lameness. The program will address preventing hoof problems, how and why to identify lameness issues as quickly as possible and humane considerations for culling, moving and transporting cattle.
