

Feeder School

2 Days of On-Farm Training

10 AM to 3 PM

Includes classroom (morning) and on-farm activities (afternoon)

Who Should Attend:

- Those who are currently feeding dairy cows and want to learn more about the how and why of what they're doing.
- Those who are interested in becoming a cow feeder and want to increase their knowledge of cow feeding.
- Anyone interested in learning more about how to improve the feeding process on their farm.

Topics Covered During the Two Day School:

- Feeder's impact on the bottom line.
- Rumen physiology - What every feeder should know.
- Nutrition - Impact of feeders on the ration.
- Dry matter monitoring.
- Basic bunk silo management.
- Packing density and preservation.
- Feed bunk management.
- TMR audits.
- Troubleshooting mixer wagons.
- Safety considerations for feeders.

Presenters:

- Jerry Bertoldo DVM, Betsy Hicks, Dave Balbian, Libby Eiholzer, Lindsay Ferlito, and Kelsey O'Shea: Area Dairy Specialists with Cornell Cooperative Extension, Cornell University.
- Kathy Barrett, Dairy Education, Cornell PRO-DAIRY.

Registration is \$75.00 and includes 2-day school, lunches, and all materials.
