

# FEED DEALERS SEMINAR 2018

**Pre-Registration is Requested**  
**Cost: \$30/per person**  
**\$25 each additional**  
**Lunch provided**

**Friday, December 14, 2018**  
**CCE—Genesee County**  
**420 E Main St., Batavia**  
**11:00 a.m.—2:00 p.m.**

*Register by 12/7/18: 585-343-3040, ext. 138 or email [lr532@cornell.edu](mailto:lr532@cornell.edu)*

The Seminars are specifically targeted for nutritionists, veterinarians, crop and management consultants, extension educators, and dairy producers with specific interest in nutrition-oriented topics. They have been conducted annually as a road show in collaboration with the Northeast Agribusiness and Feed Alliance and are designed to blend the latest concepts in feeding and other management aspects of dairies with field level application. Topics include:

- \* Maximizing milk fat on the dairy.
- \* RuMUNations on nitrogen efficiency (aka strategies for assessing & improving nitrogen efficiency through the entire lactation).

## Guest Speakers:

### **Dr. Tom Overton**

Professor of Dairy Management &  
Director, PRO-DAIRY, Cornell University

### **Dr. Kristin Reed Ph.D.**

Assistant Professor of Dairy Cattle  
Nutrition & NE Agribusiness & Feed  
Alliance Partners Sesquicentennial  
Faculty Fellow
