

Should the Beef Industry be Concerned About Johne's?

When: Monday, February 25, 2019
6:30-8 pm

Where: CCE Herkimer County
5657 State Route 5
Herkimer, NY 13350

Cost: \$10 per person

Register: Online at <https://cnydfc.cce.cornell.edu/events.php> or mail your check with the form below. Registration deadline February 21

Speaker: Dr. Robert Scrafford, NYS Veterinarian

Johne's disease is a chronic, incurable bacterial infection that primarily affects the lower small intestine of ruminants.

Come join Dr. Scrafford and Regional Livestock Specialist, Ashley McFarland for an informational talk on Johne's in Beef Cattle and how we should prevent our herds from becoming infected.

Should the Beef Industry be Concerned About Johne's?
