****DEC & CCA Credits in Application****

Tuesday, March 5, 2019

Registration 9:30am Meeting 10:00 am-2:30 pm

CCE Broome County

840 Upper Front St., Binghamton 13905

- **Climate Update: What Difference Does 2° F make?**
-Janice Degni, Extension Field Crops Specialist
- **Getting New Seedlings Off to a Great Start**
Garrett Coleman, Agronomist, Preferred Seed
- **Investigating Health Effects of Glyphosate**
-Dan Wixted, Pesticide Management Education Program, Cornell University
- **Crop Insurance—Overview of Grain Products for Yield and Revenue**
-Janice Degni, Extension Field Crops Specialist
- **2018 Corn Silage Hybrid Trial Results, WBC damage and Mycotoxin Incidence**
-Janice Degni, Extension Field Crops Specialist
- **Open Discussion of Agronomic and Pest Topics with Presenters**

This is a chance to dig deeper on any of the topics discussed or other issues you may be facing in your crop production system. Is there a particular pest problem: insect, weed or disease that you are finding difficult to manage?

Registration Cost \$15/person - Register by contacting Shannon at 607.391.2662 or email srm242@cornell.edu or register online at
