## Determining Rental Rates on the Farm

This program is designed to assist producers in determining fair rental rates on their farms from collected data in surrounding farms/counties. In addition to land rental rates, determining fair land sale values on farms will be touched upon.

This workshop will be presented by Nicole Tommell, Farm Business Management Specialist with the Central New York Dairy, Livestock and Field Crops Team.

| Each session runs from 6:00 - 8:00 PM |                           |  |  |  |  |  |
