

2019 Field Crop Pest Management Meeting

When: Tuesday, March 26
1-3 pm
Where: CCE Madison County Office
100 Eaton St, Morrisville
Cost: \$10 per person
Register: Online at <https://cnydfc.cce.cornell.edu/event.php?id=852>
Or, print off and mail with your check

Come and discuss pest management and growing season issues that affected your crops in 2018 and look ahead to changes you might make for 2019.

Topics

- Spotted lanternfly
- Waterhemp and maretail ID and control
- Avoiding herbicide resistance
- Using growing degree day information in pest management
- Western bean cutworm
- Corn leaf and stalk diseases
- Bird damage

Approved for the following:
DEC Pesticide Applicator Recertification Credits:
2 Category: 1a, 10, 21 or 23

You must be present at 1:00 PM and have your Applicator ID with you to receive credit!

If you attended any of the Field Crop Pest Management Meetings that were held in January you will not be eligible to receive applicator recertification credits for this meeting (course).

Per DEC regulations: An individual should only take a particular course once within a twelve month period. Any course taken more than once within twelve months of each other, will only be counted once and the repeat(s) will be disregarded.
