## **African Swine Fever Meetings**

African Swine Fever, the highly contagious and deadly disease affects both domestic and feral hogs and there is NO treatment or vaccine currently available. The ONLY way to stop this disease is to eliminate all affected or exposed swine operations. Please join our Regional Livestock Specialist, Ashley McFarland and DVM, Dr. Robert Scrafford, to discuss the potential threat of African Swine Fever to the United States.

Two locations to choose from:

Date: June 18, 2019

Time: 6:30 pm Location: CCE Herkimer

5657 State Route 5

Herkimer, NY 13350

or June 25, 2019

6:30 pm

**CCE Chenango County** 

99 N Broad Št

Norwich, NY 13815

Cost: Free (Registration required) Register early, space is limited.
