

Ins and Outs of the Dairy Margin Coverage (DMC) Program

Please join our Regional Dairy Specialist, Dave Balbian and Farm Business Management Specialist, Nicole Tommell, to discuss the use of Dairy-RP (revenue protection) and LGM-Dairy (livestock gross margin) as risk management tools in addition to the DMC Program administered by the Farm Service Agency (FSA). FSA executive directors from around the region will be in attendance to speak about the new DMC tools.

Free to attend, but registration is required. See below.
