

**2022 Cornell Sheep & Goat Symposium
on Grazing Management for Goats and Sheep
Friday 16 September – Saturday 17 September 2022**

Friday 16 September 2022		
4:30 pm	Pasture walk with Scott Morris at the Cornell Solar Farms - Scott will discuss the various forages and broadleaf plants found at the farm and how the plant ecology varies depending on initial plants seeded and grazing density AND/OR Forage walk at the Cornell Forage Plots with Dr. Julie Hansen – look at the performance of various seed varieties in the Cornell Forage Project Trials	
Saturday 17 September 2022 – Morrison Hall, Cornell Campus		
8:00 am: Registration and continental breakfast (132 Morrison Hall)		
8:35 am: Welcome (146 Morrison Hall)		
8:45 am Managed Grazing 101, Karen Hoffman	8:45 am Potential Tools for Managing Internal Parasites in Pastured Small Ruminants, Dr. Katherine Peterson	
9:45 am Forage Basics, Dr. Julie Hansen	9:45 am Panel on Guardian Animals and Predators	
10:30 am Making Grazing Management Decisions for Small Ruminants, Rich Toebe		
11:30 am Solving Problem Spots in your Pastures, Dr. Kitty O’Neil		
12:30 pm: Lunch break		
1 :00 pm Tradeshow and networking – this will include an opportunity to consult with grazing/forage specialists on setting up pastures and other forage questions	1:00 pm How to set up and take down Electronet - 3 “famous experts” will show us how they do it (we’ll compare their performance)	
Grazing Sheep on Solar Farms	Using goats to manage vegetation challenges and enhance grazing environments and landscape	Trade show and networking
1:50 pm Lewis Fox	1:50 pm Donald Arrant	Visit the tradeshow or bring your grazing/forage questions to specialists
2:50 pm Niko Kochendoerfer	2:50 pm Brett Chedzoy	
Repeat of pasture walks		
4 pm - Pasture walk with Scott Morris at the Cornell Solar Farms to discuss the various forages and broadleaf plants and how they differ depending on initial plants seeded and grazing density	4 pm - Forage walk at the Cornell Forage Plots with Dr. Julie Hansen	
5:00 pm: Adjourn! HAPPY TRAILS TO YOU!
