Agricultural Safety, Health, and Risk Management Certificate Program

Agricultural Safety Health and Risk Management Certificate Program (AgSHARP[®])

2022 Dairy Focused Course - Nov 15th & 16th Sunnyside Farm, Scipio Center, NY

About the program

This 2 day course provides attendees knowledge and resources to raise skill levels in the field of agricultural safety management. The course is designed to be interactive featuring case studies, exercises, and class activities. The program is geared for owners, safety and human resource managers, loss control and safety consultants, safety and workers' compensation professionals, and others responsible for agricultural production and business safety in the workplace. For more details visit www.ashca.org/agsharp/

Who Should Attend?

Owners, safety and human resource managers, loss control and safety consultants, safety and workers' compensation professionals, and others responsible for agricultural production and business safety in the workplace.

Cost of Program

\$300 for ASHCA members,
\$350 for non ASHCA members

Registration Information

Attendance is limited due to the class exercises and interactive nature of the program.

Registration includes course materials, refreshments, and lunch.
