Let's Go Over Filing a Schedule F!

There are many different advantages to filing a Schedule F at tax time for your farm, even if you're small! Join Farm Business Management Specialist, Katelyn Walley-Stoll, to learn more about record keeping, determining if your farm is a business or a hobby, and questions to ask when looking for a sound tax preparer. Refer back to the resources discussed during this seminar throughout the year to better prepare for filing your 2023 taxes.

Cornell Cooperative Extension's Southwest New York Dairy, Livestock, and Field Crops Program is a partnership between Cornell University and the five Cornell Cooperative Extension Associations of Allegany, Erie, Cattaraugus, Chautauqua, and Steuben Counties. CCE is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities.
