## What Can Go Wrong, Will Go Wrong!

Good ole' Murphy's Law is probably the best description of what it's like to be a farmer that there is! Join Cornell Cooperative Extension Farm Business Management Specialist, Katelyn Walley-Stoll, to learn more about the 5 areas of risk on farms and how to develop strategies to manage those risks. Participants will have the opportunity to identify areas of risk on their own farms and brainstorm ways to (try to) prevent the inevitable!

Cornell Cooperative Extension's Southwest New York Dairy, Livestock, and Field Crops Program is a partnership between Cornell University and the five Cornell Cooperative Extension Associations of Allegany, Erie, Cattaraugus, Chautauqua, and Steuben Counties. CCE is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program and employment opportunities. For accommodations and accessibility concerns, please contact Katelyn Walley-Stoll by calling 716-640-0522.
