### NEW APPLICATOR LICENSE

Registering to sit an exam is separate from registering for this training series. This training series is to prepare you for the exam.

- New Private License \$25
- New Non-Private License \$125

One set of CORE and Category Manuals are required for each participant/household. The manuals are and additional \$100, **however thanks to generous sponsorship we are able to provide private category participants manuals free of charge. A \$100 savings per farm.**

**Thank you to our sponsors!**

### SEEKING CREDITS ONLY

You may pick which dates you attend. For one price you can choose to come to one session or all five. You only get credits for the sessions you attend.

- Credits for Private License \$25
- Credits for Non-Private License \$125

**Hosted by:**  
**Cornell Cooperative Extension**  
**NYS IPM Pesticide Safety Education Program**
