

Equine Pasture Walk

September 10th – 5:30 PM

HEAVENLY ACRES – WHITNEY POINT, NY

Learn how to keep your pastures—and your horses—healthy!

Join us for a engaging hands-on pasture walk to learn about:

- » Identifying and evaluating equine forage quality
- » Rotational grazing for healthier soil and better water management
- » Refurbishing tired pastures with reseeding and weed control strategies

This pasture walk is perfect for horse owners, barn managers, and anyone who cares for equine pastures. You'll take home practical tips you can use immediately to improve both forage quality and pasture longevity.
