

Dairy Systems and Technology Showcase

10:00am start

Schedule varies by date

What It Is:

- ♦ Guided facility walk through of new dairy systems and technologies on farms across NYS led by CCE Dairy Specialists, PRO-DAIRY, and other industry experts.
- ♦ Intended audience: Dairy farmers and industry partners.

Logistics:

- ♦ **Each farm has a set tour time, and agendas vary based on date - check team pages for more details.**
- ♦ Participants are responsible for their own transportation.

Registration: Free but required by location.

Biosecurity: All attendees must wear clean clothes and boots, and scrub and disinfect footwear upon arrival and before leaving.

For information: Kathy Barrett, PRO-DAIRY; kfb3@cornell.edu; 607-229-4357.
