

The Central New York
Peer Group of the
Dairy Girl
Network Presents

Herd Records Systems

The South Central Dairy
& Field Crops Team will
discuss different systems for
tracking herd records and
how farms use herd records
to make management
decisions.

Cornell Cooperative Extension

South Central NY Dairy and Field Crops Program

This peer group is focused on building camaraderie with other dairy women, sharing ideas and experiences, and encouraging one another. We will have guest speakers covering a variety of topics with time for discussion and sharing. All women in any walk of dairy are welcome to join us.
