Northwest NY Dairy, Livestock
and Field Crops Program

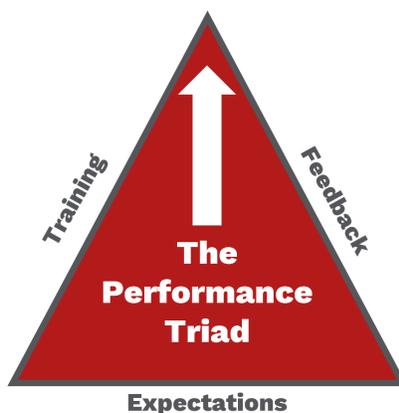

Growing Great People: Training Skills for Dairy Farmers

Become an Effective On-the-Job Trainer!

In-Person from 1:00pm - 4:00pm

When employees have the right knowledge, skills and attitude to do the job right, it:

- Saves time
- Avoids problems
- Engages employees
- Reduces turnover

This hands-on workshop uses the following system:

TELL: describe the procedure and why it's important

SHOW: demonstrate the procedure and emphasize key points

DO: allow the learner to try to answer any questions

REVIEW: are the steps in the procedure done correctly?

After the workshop you will be able to:

- Plan for organized and effective trainings
- Make trainings meaningful to employees
- Measure and follow up to see if people *really* learned!

*Trainings are conducted simultaneously in **English** and **Spanish***
