

AN INTRODUCTION TO:

DAIRY GRAZING APPRENTICESHIP
& MANAGED DAIRY GRAZING

August 2nd, 2022
11:00-12:00 CST via Zoom

Learn about:

- DGA opportunities available as an Apprentice or farmer Mentor
- What managed grazing looks like on a dairy farm, with real life scenarios
- Q&A

with Angie Sullivan, Apprenticeship Director
& Altfrid Krursenbaum of Krusengrass Consulting

DGA works with farmers and Apprentices in 15 and provides first class education to the next generation of dairy farmers through the first of its kind in the nation recognized apprentice program. *This meeting will also be recorded for later viewing and translated into Spanish.*
