2023 Corn Silage Pre-Harvest Meeting

Do you grow corn silage? Join us this Friday, September 1st for our Corn Silage Pre-Harvest Meeting in Caneadea, NY. Topics in this discussion-based meeting include particle size, packing density, inoculant use, agronomics, and much more. Contact Katelyn Miller at 716-640-2047 for more information. We hope to see you there!

NE SARE Announces Grant Opportunities for Farmers

This program will pay up to \$30,000 for qualifying on-farm research projects that are used to further the sustainability of farms in the Northeast. If you have an idea and are interested in applying, [check out the call for proposals](#) or reach out to one of our team's specialists for more details!

Farm Credit East Releases Report on Grants and Incentives

Finding, applying for, and meeting the guidelines for grants can be overwhelming. Particularly when it comes to finding what's available! Check out this comprehensive guide from Farm Credit East and reach out to Katelyn Walley-Stoll with any questions or assistance.

Upcoming Farm-Focused Grants – Northeast Dairy Business Innovation Center

NE-DBIC announced the upcoming slate of 2 fall farmer-focused grants. [The Farm Improvement & Modernization](#) and [The Milk Storage & Handling Grant](#) will be released in October and November of 2023, respectively, and awards will range from \$15,000 - \$100,000 with a 25% match commitment for different farm needs. [Check it out](#)
