1.04.2023 Updates from Cornell Cooperative Extension’s SWNY Dairy, Livestock, and Field Crops Program

A partnership between Cornell University and the Cornell Cooperative Extension Associations in these five counties: Allegany, Cattaraugus, Chautauqua, Erie, and Steuben.

Thank you Kim Cervone & K.C. Slade from Crop Growers, Darleen Krisher-Meehan from Country Crossroads Feed and Seed and Curtis T. Corkey from Principal Financial Services for sponsoring this Weekly Update.

Crop Management Online Course

It’s your last chance to register for the PRO-DAIRY Crop Management Course. This 14-week online class includes a wide range of topics, from basic agronomics to advanced practices and new research. Learn from the instructors on topics like disease & insect management, weed management, nutrient management, and much more. This course starts January 5th, so register today!

NYBPA Annual Meeting will be January 19th – 20th in Syracuse – Last Chance to Register!

This year’s meeting had an adjusted schedule, with the awards dinner, annual meeting, and Keynote by Amanda Radke on the 19th followed by the educational and junior sessions on the 20th. Learn more and register here by Friday, January 5th.

Find and Keep Good Employees – From Annie’s Project

Join this two part webinar from Richard Stup to learn more about writing meaningful job descriptions, onboarding, employee retention, SOP’s, and more. January 18th and 25th from noon – 1pm.

Remember to Register for the Whole-Farm Efficiency Webinar Series

Register today for this 10-week webinar series to explore the latest information on optimizing different aspects of dairy farming. Our kick-off session will be next Tuesday (January 9th) at noon, and all webinars will be available for later watching when you register. Register once for all webinars here.
