7.03.2024 Updates from Cornell Cooperative Extension's SWNY Dairy, Livestock, and Field Crops Program

A partnership between [Cornell University](#) and the Cornell Cooperative Extension Associations in these five counties: [Allegany](#), [Cattaraugus](#), [Chautauqua](#), [Erie](#), and [Steuben](#).

Thank you Ben Scott from Advanced Dairy Services and Curtis T. Corkey from [Principal Financial Services](#) for sponsoring this Weekly Update.

Manure Expo in Auburn, NY Will Showcase Equipment, Regulations, and Safety

Join extension agents and industry representatives from across the county as they share all things manure management at Patterson Farms, Inc.. In addition to talks, there will be live demonstrations for agitation, tire inflation, solid spreaders, liquid spreaders, draglines, pressurized hose release, and equipment safety. The event runs July 17-18, and there's still time to register!

2024 Aurora Farm Field Day

Save the date! The annual Cornell Field Crop Research Field Day will be Thursday, August 1st at the Musgrave Research Farm in Aurora, N.Y. The program features walking and hay wagon tours in the morning and afternoon. Topics include soil health, weed management, no-till, interseeding, and the value of manure.

NYSERDA offers Agricultural Programs

There are three programs from the New York State Energy Research and Development Authority that might be of interest! The Agriculture Energy Audit Program (AEAP) offers no-cost energy audits, REAP Technical Assistance Program (RTAP) assists with no cost applications to the national REAP program with a potential 50% cost share, and the Energy Best Practices for Agriculture provides educational opportunities to learn more about new technologies and their costs. [More information](#) is available on NYSERDA's website.
