8.01.2024 Updates from Cornell Cooperative Extension’s SWNY Dairy, Livestock, and Field Crops Program

A partnership between [Cornell University](#) and the Cornell Cooperative Extension Associations in these five counties: [Allegany](#), [Cattaraugus](#), [Chautauqua](#), [Erie](#), and [Steuben](#).

Thank you Kim Cervone & K.C. Slade from [Crop Growers](#) and Patrick Coates from [Farm Credit East](#) for sponsoring this Weekly Update.

Organic Grains Field Day

Are you interested in organic grains? Attend one of the upcoming 2024 New York Soil Health and Climate Resiliency Field Days being held August 30th. Topics include reducing tillage, value-added operations, as well as equipment demonstrations. [Registration is required](#).

Producing Low Sugar Hay – Some Considerations

While there’s an art and science to producing highly nutritional forage, the same principles influence how low sugar forages are produced. Species, harvest timing, and harvesting technique play a larger role than time of day.

Upcoming Events
