## **11.21.2024 Updates from Cornell Cooperative Extension's SWNY Dairy, Livestock, and Field Crops Program**

A partnership between [Cornell University](#) and the Cornell Cooperative Extension Associations in these five counties:  
[Allegany](#), [Cattaraugus](#), [Chautauqua](#), [Erie](#), and [Steuben](#).

*Thank you **Andy Vosburg from Progressive Dairy Solutions, Inc.** and **Kim Cervone & K.C. Slade from Crop Growers** for sponsoring this Weekly Update.*

### **Chautauqua County Farmer Flu Clinic**

Clinic scheduled to provide FREE seasonal flu vaccine to any and all dairy/poultry farmworkers, including family members. The clinic is scheduled for Thursday, November 21st from 10am-2pm at the Abbe Reformed Church in Clymer.

### **John May Farm Safety Fund Provides Grants to Assist in Improving Farm Safety**

For NYS farmers and applications that qualify, this fund will provide a 50% match up to \$5,000 on a reimbursement basis to help cover projects that improve safety on the farm. Examples of projects that have been funded previously include barn re-wiring, livestock handling systems, and harnesses/rescue equipment.

### **Register Now for Labor Roadshow VIII**

With two in-person sessions and two online sessions, this year's roadshow will dig deep into pressing issues that every farm employer needs to understand. Learn more about the current topics of overtime, unions, heat safety, farm employee benefits, farm safety, housing, and more.

### **Decoding Your Soil Test Results**

Regular soil sampling is important for improving management practices, but many people feel confused when they receive their test results. With so much information, it can be hard to know what to do next. In this article, I'll explain the different measurements found in soil test reports and how to use this information effectively.

*Thank you **Progressive Dairy Solutions, Inc.** and **Crop Growers** for sponsoring this Weekly Update.*
