07.24.2025 Updates from Cornell Cooperative Extension's SWNY Dairy, Livestock, and Field Crops Program

A partnership between [Cornell University](#) and the Cornell Cooperative Extension Associations in these five counties: [Allegany](#), [Cattaraugus](#), [Chautauqua](#), [Erie](#), and [Steuben](#).

Thank you **Darleen Krisher-Meehan** from **[Country Crossroads Feed and Seed](#)** and **Amelia Parseghian** from **[NY FarmNet](#)** for sponsoring this Weekly Update.

IPM Strategies to Protect Corn and Soybean Seed in NY

There's less than a week left to register for our upcoming field day! Join SWNYDLFC and Cornell IPM as we cover research updates on seedcorn maggot, tools for assessing risk and predicting pest pressure, and a discussion on neonicotinoids. **There are DEC credits and free lunch available!** Register today by [clicking here](#) or calling Katelyn Miller at 716-640-2047.

'Farm of the Future' showcased at Cornell PRO-DAIRY celebration | Cornell Chronicle

Explore how Cornell is looking to the future of dairy farming by implementing an "agricultural testbed" farm to trial the new technologies continually being developed for dairies.

Internal Parasite Management Workshop for Sheep and Goats on Wed. Aug 13th from 6pm – 8:30pm in Woodhull, NY

Join CCE's Pro-Livestock Small Ruminant Specialist, Jess Waltemyer and Livestock Specialist, Amy Barkley, to gain practical knowledge in internal parasite management in sheep and goats. Topics include the biology of worms; managing to prevent worms; deworming tools; determining which animals to strategically deworm; and evasive grazing. Register at the link above or by contacting Amy at amb544@cornell.edu.
