08.14.2025 Updates from Cornell Cooperative Extension's SWNY Dairy, Livestock, and Field Crops Program

A partnership between [Cornell University](#) and the Cornell Cooperative Extension Associations in these five counties: [Allegany](#), [Cattaraugus](#), [Chautauqua](#), [Erie](#), and [Steuben](#).

Thank you **Darleen Krisher-Meehan** from ***Country Crossroads Feed and Seed*** for sponsoring this Weekly Update.

What's Moo with Cornell Research: Colostrum

Check out what's 'moo' from the Cornell Vet School dairy research team! This article summarizes their two recently published articles on colostrum in the Journal of Dairy Science Communications.

Cornell Deer Worm (Meningeal Worm) Fact Sheet

Deer Worm, or Meningeal Worm, is a parasite affecting sheep and goats across NYS and the Northeast. The worm can cause paralysis and self-inflicted flesh wounds. An alternative treatment protocol established by Cornell University researchers can improve the outcome of treating animals with clinical infections.

Mock Truck Inspection Day at CLEREL

Are you hauling grain? Attend this refresher class on the regulations for commercial vehicles on August 20th from 9:00 AM – 12:00 PM. We will be welcoming Trooper Andrew Lawrence who will be giving a classroom type presentation which outlines why the inspections are done and what the troopers are looking for as well as how to prepare your fleet and drivers to pass these inspections. This is a FREE event, but registration is required.

Upcoming Events			
For more information and to register, click on the title hyperlinks.
