

swnyteam@cornell.edu

Cornell Cooperative Extension

Southwest NY Dairy, Livestock and Field Crops Program

swnydlfc.cce.cornell.edu

A partnership between Cornell University and the CCE Associations in these five counties: Allegany, Cattaraugus, Chautauqua, Erie, and Steuben.

CORE Pesticide Training and DEC Recertification

IMPORTANT NOTE Because of COVID-19, the DEC did not require growers whose licenses expired in November of 2019 or later to renew their applicator's license in order to buy & spray restricted use materials during the 2020 growing season. **That discretionary policy is no longer in effect.** If your license expired between November 2019 and November 23, 2020, you must obtain the full number of recertification credits and **renew your license by February 23, 2021.** If your license expires after November 23, 2020, you will follow the typical DEC guidelines.

REGISTRATION INFORMATION

Pre-registration is required by noon the day before your preferred date/time.

Tuesday, Jan. 12th
9am - 10:50am

OR

Thursday, Jan. 14th
11am - 12:50pm
